

## 12-POINT GRADUATION PATHWAY PACKAGE

- \$225 / STUDENT
- INCLUDES TRAINING & CREDENTIALING

### FOUNDATIONAL SKILLS

Leadership Excellence  
3 Points

Lean Six Sigma Yellow Belt  
3 Points

The Leadership Excellence credential exemplifies mastery in interpersonal skills, character, competence, vision and boldness. This distinction emphasizes a dedication to fostering effective relationships, maintaining unwavering integrity, showcasing expertise, and envisioning strategic pathways.

The Lean Six Sigma Yellow Belt certification is a comprehensive program refining process improvement, problem solving, and data driven decision making skills. Graduates demonstrate proficiency in streamlining processes, minimizing waste, and enhancing organizational efficiency.

### ADVANCED LEAN SIX SIGMA SKILLS

Lean Six Sigma Green Belt  
6 Points

The Lean Six Sigma Green Belt certification provides an extensive skill set covering statistical analysis, project management, and advanced problem-solving techniques. Those with this certification emerge as indispensable assets to organizations seeking operational optimization and enhanced efficiency.
