

**LEADERSHIP EXCELLENCE**  
TRAINING & CERTIFICATION

Organizations are looking for employees who can clearly communicate, engage with others, promote a positive culture, support strategic vision, and command respect while operating with a high emotional intelligence. This requires a unique set of interpersonal and leadership skills. The Leadership Excellence courses provide instruction on all these critical attributes.

- **Vision**
- **Communication**
- **People Skills**
- **Character**
- **Competence**
- **Boldness**

## Embold Training & Certification

Certification	Ohio DoE Point Value	# of Courses	Minimum Est Course Hours
